

Award Winning

"This is the secret teaching of all ages for our times.

Thank you, bless you." ~ Foster Gamble, Thrive Movie

Powerful! Elegant! Simple!

"A compelling synthesis of modern science, ancient wisdom and timeless art melded into a revolutionary view of the universe, and our lives!"

Whether you're an artist or an engineer, a home maker or a body worker, this books is about you, your world, and every relationship that you'll ever experience in life. InsideOut is destined to become a cornerstone for teaching the unified science of the new millennium."

– Gregg Braden, New York Times bestselling author of Human by Design and The Divine Matrix

"A visual feast. Karen Elkins's "InsideOut" brings the newest and most intriguing science to a lay audience in a way that combines mystery with understanding. Rarely has science and art been blended in so effective a way."

– Gerald Pollack, PhD., Award Winning author, Professor, University of Washington
